

Downtown Traverse City Permit Parking Policy
Revised December 2020

The City’s public parking system, managed by the Downtown Development Authority (DDA), makes parking available to downtown employees, residents, and visitors. Downtown parking permits provide a convenient method of securing long-term parking. The goal of the parking program is to serve the needs of retail shoppers and business clients with convenient parking, while providing employees long-term parking nearby.

Any vehicle parking in a city owned/leased and operated parking facility is subject to the rules and regulations as outlined in the Codified Ordinances of the City of Traverse City.

1. Parking Facilities

Surface permits allow the holder to park in available spaces at the following facilities Monday-Friday 7am-4pm.

Available Surface permit parking lots are subject to change without notice:

Lot P	130 West State Street; Center of block on north side	Day and Overnight
Lot T	210 N Union and E Grandview Parkway; North of River	Day and Overnight
Lot V	145 West Front Street	Day and Overnight

Garage permits allow the holder to park in available spaces in either parking garage 24 hours a day, seven days a week at a first come basis. If one garage is full, you will need to park at the secondary garage.

Larry C. Hardy Parking Garage – 303 E. State St.	24 hour Access with Proximity Card
Old Town Parking Garage – 125 E. Eighth St.	24 hour Access with Proximity Card

2. Rates *Month*

Standard Surface Permit	\$38.00
Hardy & Old Town Garage Permit**	\$50.00
Garage Access (Proximity) Card	\$6.00

Monthly permits are effective at the time of purchase and extend 30 days past the purchase date. Monthly permits may be purchased for up-to 12 months. There is a box on the permit where the effective date will be written and secured with a clear mylar strip. Removing the strip will make the permit invalid. Permits having one or more month and/or year punched will be considered fraudulent and no longer valid. All information and evidence related to fraudulent or invalid permits may be provided to TCPD for further investigation and may result in prosecution.

** An electronic access (proximity) card is required with a parking garage permit. If the card is lost/stolen a replacement fee of \$6.00 is required each time the card is replaced.

All permits and electronic access cards are non-refundable (including theft/loss). Permits may be transferred to another parker for purchased time that is unused.

3. Renewal

It is the responsibility of the permit holder to renew their permit prior to or on the permit expiration date. Permit holders whose permits expire are subject to receive a “No Permit/Failure to Display” parking violation for an expired parking permit. Daily fees in the parking garages will apply to those permit holders whose permits have expired. **There is no grace period for permit renewals.** Warning citations will not be issued for expired permits. Renewed permits will not be mailed, and must be picked up at the Parking Office. If permit sales are restricted and availability subject to waitlist only, anyone who has an expired permit will forfeit their renewal eligibility and move to the waitlist.

4. Rights and Privileges

Permit holders are licensed for the use of one parking space per parking permit. Parking permits provide the holder access to available parking on a first come first park basis. A Surface Permit does not guarantee a space in any specific lot or a Garage Permit does not guarantee a space in any specific garage. Refunds are not given for those unable to find a space. There are times when certain facilities will become full. Summer events can reduce the number of spaces available. Permit holders are encouraged to consider other means of getting downtown during high impact events; such as, biking,

walking, car-pooling, taking public transit (www.bata.net) or for employers to enroll in Destination Downtown (<https://parking.downtowntc.com/services/destination-downtown/>). Destination Downtown provides free bus passes to employees of participating businesses. To accommodate the demand for parking during event times, the parking office will do its best to provide alternative parking for permit holders. Notifications may be placed in the affected lots directing permit holders to alternate parking.

5. Responsibilities

Traverse City Parking Services is not responsible for loss or damage to the automobile or its contents by fire, theft, or other cause. Please lock your car. Permits must be displayed at all times when the vehicle is parked in any parking facility. Failure to display may result in a parking violation citation. Permits must be displayed with the permit number facing the windshield and visible to parking enforcement. Garage permit holders are responsible for having their electronic access card to enter or exit the facility. **Those who do not have their access card to enter or exit the garage must pay at the hourly rate.** Permit holders are responsible for respecting the property of other permit holders, as well as, all parking facilities. Only operable and licensed vehicles are allowed to park at parking facilities. Substantial fine, vehicle impoundment, revoked parking privileges and possible prosecution for use of lost, stolen, altered or forged permit.

6. Parking Garages

Access to the permit spaces in the garages are available 24 hours a day, seven days a week by way of the electronic access card. If you plan on leaving your vehicle in either garage for an extended period of time, please let the Parking Office know. The Parking Office has the right to restrict extended stays at any time for any operational reason.

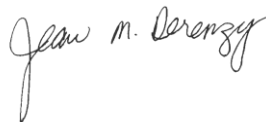

Permit parkers can park on all floors **except** the ground level. Permit holders are subject to the hourly rates when parking on the first floor for any reason. If for some reason you cannot get through any of the gates, contact the office by pressing the call button on the card reader. If you pull a ticket to enter the garage, you must exit with the ticket and pay the hourly rate. If you enter with your access card and do not have it at time of exit, you will be subject to the hourly rate from time of entry as logged by the swipe of your access card. If there is no entry time documented, the current lost ticket fee will be charged to exit.

Larry C. Hardy Parking Garage ONLY: Reserved parking on the second floor, denoted by blue and white signs at the head of each parking space, are only available to designated businesses and/or persons indicated on the Reserved Parking sign. Unauthorized use will be addressed by the Parking Office and may result in violation citations and/or towing of the vehicle at the owner's expense.

There is no smoking permitted in the parking garages. The parking garages are City of Traverse City owned buildings, which fall under the rules of the City ordinances.

Any rules or directions posted on a sign by the Parking Office are part of the policy and must be followed. This policy is subject to change without prior notification. Please contact Parking Services to acquire up to date parking information or visit our website at <https://www.parking.downtowntc.com/services/permits>. Failure to comply with this policy may result in revoked parking privileges.

Any questions or concerns can be directed to the Parking Office.
